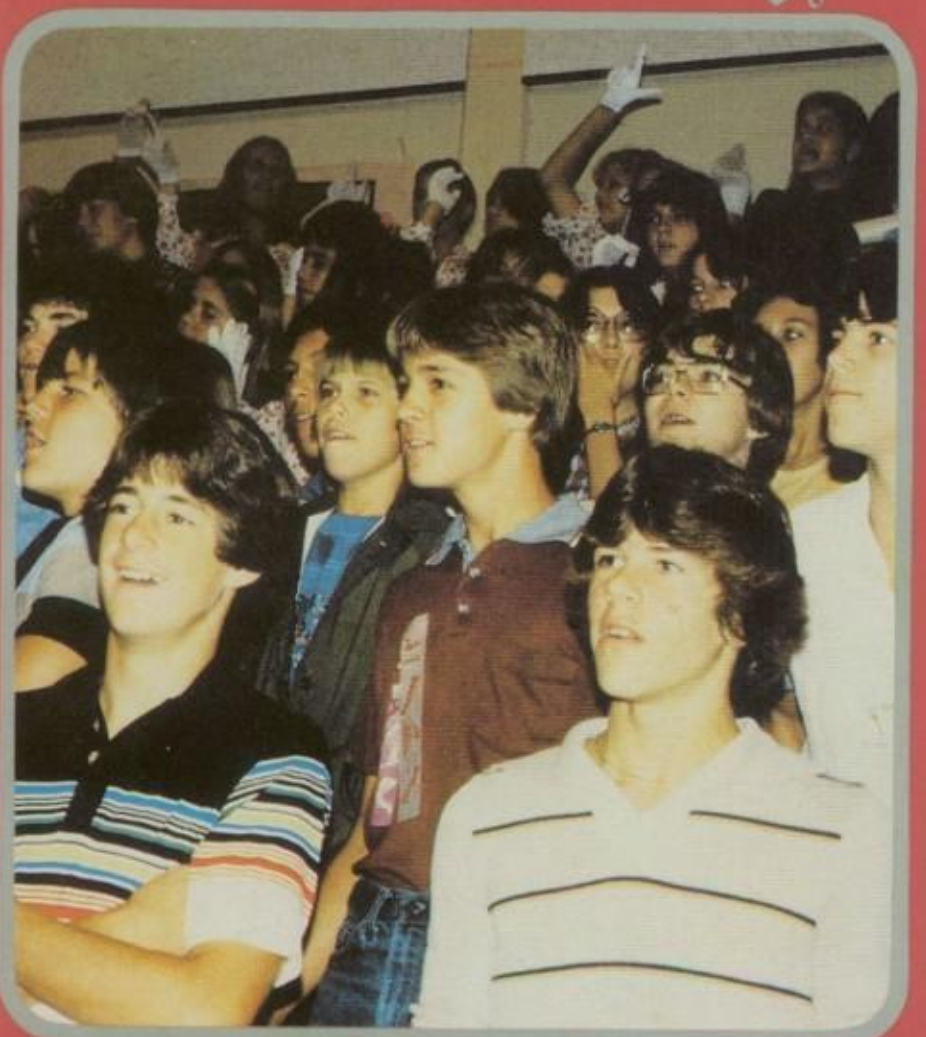
Spirit and Tradition



For the past fifty years, Robert E. Lee High School has been known for its spirit, its pride, and its tradition. These feelings infect the students, faculty, and even the community when the time comes for the maroon and white to be united. Whether it is an academic event, club activitiy, or a sports confrontation, the school is well represented by the students. In all undertakings students are prepared for a victory. They work, practice, and strive for a win, but they are able to handle defeat with pride and integrity. It takes hard work and dedication to be a loyal Gander. Everyone drives for a common goal. They puruse personal gain and unite with others to achieve school recognition. This year, as in years past, our spirit soared, our pride was untarnished, and our tradition remained intact to be passed on to those students worthy of becoming Ganders.

Walking the halls of Robert E. Lee, Gander students think various things. In the first years you wonder if you'll ever get through all the confusion and chaos. Before you know it you have your senior ring. As the reality hits you, you begin to wonder who to take to the prom and what to do with the rest of your life. Suddenly, all too soon, you wear a cap and gown and are awarded a diploma.

Where did the time go? It was spent laughing, learning, and working hard. We learned what it meant to be a Gander, how to cope with exams, and how to have a great time doing it. Everyone had an individual personality, yet when it was needed we all merged together as one. We stay united through the years because "We're Still The One!"

1) Kim Hebert congratulates Mrs. York on "teacher of the week"
2) Mr. Lee stands proud.

6) Lisa Payne, Lori King, and Kiki Wristers say, "We're Still the One."

with Ganderland Intensity

The emotional unification of R.E.L. during the fall of '79 is an event which will be long remembered. With the fine tradition of Gander spirit reaching a peak unseen in years, the student body of Lee enjoyed one of the greatest highs in memory thanks to the superlative season of the Ganders. Such events as the hard earned District Championship, the satisfying victory over Sterling and the unbelievable comeback against top-ranked LaPorte before an Astrodome crowd of 22,000 are all vivid reminders of this team. Yes, the Ganders and their fans of 1979 have met the challenge. WE'RE STILL THE ONE.

STUDENT LIFE

Student Life at Robert E. Lee was alive this year. Almost everyone was involved in various activities. Homecoming was a blast, and all the other dances were enjoyed too. Concerts and eating out filled away-from-school time, and school days were kept lively with drama productions and pep rallies. Participation combined with great spirit turned these activities into events that made Lee students boast, "We're Still the One." 1) "We Believe" was one of our best slogans for the '79-'80 year. 2) Ricky Crosby and date enjoy a slow dance. 3) Queen for the '79-'80 school year is Selena Webb, Princess Ann Wallace, and 1978 Princess, Cindy Lopez.

Pep Rallies this year were full of excitement. They started out in the Boy's Gym, but were moved to the Auditorium while the gym was remodeled. As the year went on, the spirit stick went to the Seniors again and again as the team was still winning. The tension of the upcoming game was received and our confidence boosted as the band broke loose with Dull Razor Blues each Friday. These pep rallies were highlighted with skits by clubs and a Gong Show by some of the teachers. Each week one teacher was chosen as the most spirited of the week. All the students were excited and riled up after these and the mood for the game was set.

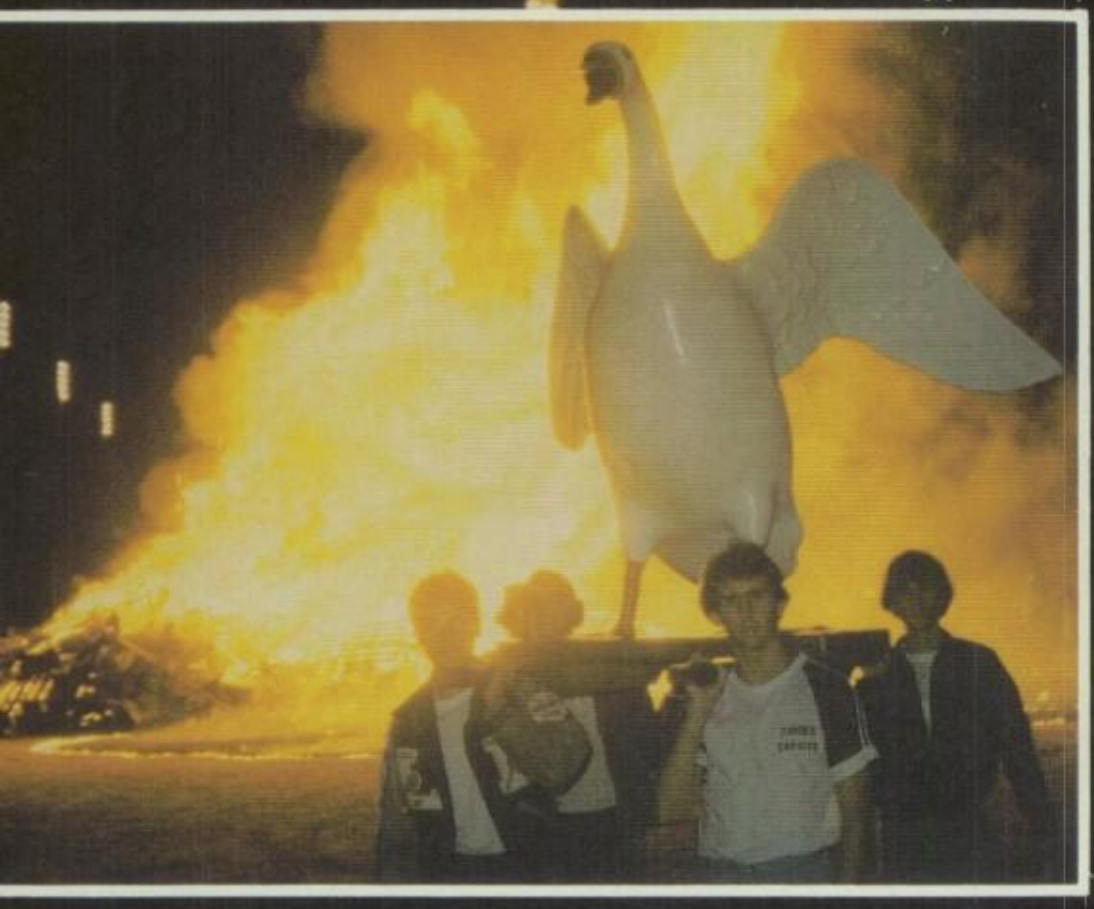
Bonfire Brightens Homecoming

The Homecoming Week was filled not only with the usual fun events, but with extra added excitement. The Ganders were fighting for the District Championship in the Smiley game. Twirp week festivities were a blast as the girls took out their favorite guys for a night on the town. Thursday's bonfire got everyone in the spirit, while the Friday pep rally set the stage for the victory over Smiley. Finally Saturday's Homecoming dance climaxed the week with the crowning of Queen Selena Webb.



1) The tough and brawny Gander Carriers were entrusted with keeping Sterling evildoers away from the bonfire . . . (with help from friends!)
2) Couples move to the music during the Homecoming festivities.
3) Jim Dippel follows the blocks of David Clement and Chris Bultzo in the 35-12 Homecoming win over Smiley.

4) Homecoming Court: (L to R) Sophomore Duchess Deleta Webb, Senior Duchess Carol Gregersen, All-school favorite Marinell Madden, Princess Ann Wallace, Queen Selena Webb, Cindy Lopez, Princess Jeanna Broussard, All-school favorite Lisa Cone, Junior Duchess Janet Snoek, Freshman Duchess Veronica Tapp.

The World as It Was–1980

Daily grind routines often proved dull during the 1979-'80 school year. Piles of classwork on top of piles of homework drove many students to madness. In order to cope with the problems of rising prices and to break the routine, many students decided to feast on fast food, and some even decided to make extra spending money working at various jobs.

Despite rising prices in all phases of life, students found many ways to have a good time and make the most of their high school days.

The increasing popularity of dancing, be it disco, country, rock, or slow is seen in the students at Lee. Dances were held in the R.E.L. student commons. These provided opportunities for dancing, gossiping, socializing, and just plain having fun. There's no energy crisis here when it comes to dancing.

*The Drama Department presented some fine plays in our school auditorium such as the fall play M*A*S*H and the musical "Lost in the City" on February 1st, 2nd, 8th, & 9th. Not only did they learn to act and produce enjoyable plays for the students at Lee, they also learned about dramatic literature, drama history, and all elements of design, (sets, lights, and costumes.) Toward the end of the year the Drama Department went to Zone Contest, the week of March 16th, and a Laban Theory Production, January 22nd. The Drama Department concluded the year with the Drama Awards Banquet.*

In the 1979-'80 school year, rock groups toured America bringing with them enjoyment and good music to our ears. Such acts as Styx, AC DC, and the Knack all came to play in the Summit, Coliseum, and the Music Hall.

Ticket prices ranged from $7 to $11, depending on the popularity of the group. As always parking was a problem anytime a concert was abroad. However, these problems did not hamper the thousands of people going to them.

Like someone once said, beauty is in the eye of the beholder. But on February 6, beauty at Lee was definitely questionable. Thanks to the Antlers, the senior guys of Robert E. Lee took the stage to show their "stuff". This year's Miss Goose Creek Contest brought the Antlers money to help finance their service projects. These projects consisted of such things as needy baskets and work at the Cerebral Palsey Center. Besides service projects they found time to provide the varsity teams at Lee with surprises. All these things came together to provide the Antlers with an unforgettable year.

Glitter Here - Glitter There

Ribbons, glitter, bells, and hours of hard work all go into the Keywanettes' mum sales. This year's mum sales brought in almost $3000. The money left over after bills was used for a yearly scholarship of $150. The Keywanettes played a big part in the Texas-Oklahoma District's activities this year, having both the Governor and the Treasurer. This year the yearly convention was sponsored by our Keywanettes and was held March 29-30 at the Astrovillage. When asked about the club, Margot Bruce, president, said, "We try to do as much as we can for our school and our community."

Goblins, ghosts, and goons were all a part of this years Key Club. The Key Clubbers braved everything from witches to warlocks to sponsor two booths at the Halloween Carnival. This was done in keeping with the purpose of the club in helping the community. They also did work concerning the Ronald McDonald House in Houston. Along with these they helped the Goodfellows and worked with the Baytown Historical Museum. It is best summed up in Key Club Secretary, Mike Clement's words, "All things considered, we've had a good year."

J.R.A. Gives Its Personal Touch

All service clubs have helped the needy in some way, but this year J.R.A. added the personal touch. Instead of just food, they helped the women of very needy families get jobs, clothing, personal items, and of course food. Besides that, J.R.A. gave a Halloween party to the children at a day care center, worked at the Goodfellows and at the Cerebral Palsey Center, and gave Christmas ornaments to the teachers. For their money making project they made boutonniers and little girl mums for Homecoming. They made approximately $1,115.00. With this money and their "personal touch", they gave their services to our school and community throughout the year.

Lee High School had their own little draculas, the Robert E. Lee Interact. This year they sponsored two blood drives, for which they won the "Life Givers Award." Besides that, they made a Thanksgiving basket and a Christmas basket which they gave to needy families. They also were aides to the people of the Cerebral Palsey Center and sponsored the basketball tournament between the boys service clubs. The money making project was the dance after the Baytown Relays. When asked about the outcome of the year, Vincent Lannie, treasurer of Interact said, "This year has been one of our best years with participation by all members.

Anchor Club Keeps Us Reading

The 1979-80 Robert E. Lee Anchor Club donated money to the Sterling Municipal Library this year in order to buy new books. To start off the school year they held an installation for the new members. They also gave Christmas and Thanksgiving baskets to needy families this year. Besides these activities they gave themselves a Christmas party, gave the Pilot Club a tea, and an Anchor banquet in May. New on the scene was their sponsor Ms. Sandhop. The '79-'80 Octagon Club received a new sponsor, Mr. Dennis Clark. He stated that, "The spirit of Octagon has inspired me to new heights and new experiences." At the beginning of the year the club members paid $3.00 each to cover expenses for such community services as presenting a play for the nursing home, run-through posters, and signs they made to put up around town to show their support for the Ganders before the football game against Memorial.

Lioness Feeds The Teachers

This year's Lioness club didn't help the teachers' diets during Christmas time. They baked cakes and cookies for the teachers' lounge. Besides cooking they also provided needy baskets at Thanksgiving. They had plans for making taste cards for the facultys' boxes at some time. They also had a banquet at the end of the year. All in all it has been a good year for the Robert E. Lee Lioness.

Also they painted run-through posters, made Thanksgiving baskets for the Amigo School, and helped the Goodfellows at Christmas. This year the Junior Optimisses had two new sponsors, Miss Susan Brewer and Miss Josie Diaz de Leon.

The Girl's and A Cappella Choirs were small but strong this year. They performed at a Christmas Concert for the community and a teacher's dinner this winter. They also performed at several junior highs. They separated into some smaller groups and performed special numbers. This year was fun for them and they worked hard.

Hard Work And Pride Pay Off For Orchestra

The Robert E. Lee String Orchestra had many activities in the 1979-1980 school year. At the beginning of the year, the orchestra opened its year with pizza parties and football games. But, the fun and games soon ended when all-region orchestra tryouts approached. After the All-Region Orchestra Concert, in which two of the Lee members played, a Christmas concert was performed with both the Baytown Community Choir and Orchestra. The orchestra then attended the UIL Solo and Ensemble Contest, and UIL String Orchestra Contest. The orchestra also played in the Fine Arts Festival in the Lee auditorium. The orchestra raised money for a trip to Dallas to play in the Sandy Lake Orchestra Festival. In this contest, the orchestra, under direction of Joseph Whitehead, was combined with Sterling and band members from both schools.

5) Michelle Burnett hard at practice . . . like the old saying goes, "Practice makes perfect."

Chorale Prepares For Tour

This year the Chorale's main event was a trip to Sandy Lake Amusement Park. They competed in a pop music contest where they combined singing and movement for their presentation. Their songs were from the 50's; each was a medley of several popular songs. The contest was May 5-6 and the group had lots of free time for fun.

Ladies And Gentlemen . . .
Introducing The

Lee Brigadiers

Working hard and working long,
And everything is going wrong,
Or at least seems to be.

Our legs are sore, our arms are aching,
Our heads are spinning, and our backs are breaking,
But still we go on.

Relief is spread when our directors say,
"Just one good time ladies and we'll go in for today."
We try hard, but we just can't win,
"That was sloppy ladies, let's do it again."
We feel that if we do it many times more,
We'll have to crawl to get to the door.
"Pick your knees up high and look straight ahead.
Be proud to wear your uniforms of red.
That's all for today ladies, go home and rest
And whatever you do, try to do your best,
Because it shows."

The practice is over and we all depart.
Excitement fills everyone's heart,
Knowing what lies ahead.

Friday is here and we hear ourselves say,
Tonight is the night, we've got to do okay.
We line up that night and we try to keep cool.
Cool with all these people here, who are we trying to fool?
Nobody but ourselves.

We are announced and we begin
to move ahead.
We think, remember what we
talked about, remember what
we said,
Or disaster will be the result.

We begin to grow stiff, our legs
will not move.
We've got to do it right, just
to prove
To ourselves that we can.

The whistles blow, the drum roll begins,
And somehow our knees seem to touch our chins.
We are so scared, our hearts pound in our ears.
We forget the crowd in order to conquer our fears.
Soon it is all over, we are through for the night.
Excitement is present and we still tremble with fright.
But it's worth all we've been through when the crowd
begins to cheer,
Because that's what it means to be a Lee Brigadier.

By: Renea Craft, Sr. Brigadier

As the close of another year draws near, we all look back upon it to see if we have really been a success. Practice throughout the week, Thursday's pep rallies at the field house, Friday night's game, getting second lieutenant, a two and a half mile parade in San Antonio with Donna Smith and her broken leg, the river walk the night before where everyone spent their money on souvenirs, crowded bus rides, Miss Wright in her favorite pose, Brig Follies, the managers and King Tut co-staring Mike Rice, Stephanie Pavlas alias cavewoman, Wendy Liles & Diane Jones shootin' 'em up with the rest of the gang, Prof. Dena Koonce directing her created monsters --- all these and more will be memories we will always cherish.

The CheerLEEders

The Cheerleaders were a very busy organization this year. They went to National Cheerleader's Camp over the summer. At camp, the won several awards including the Spirit Award (a megaphone), the Spirit Stick, and 4 ribbons. After camp, the Cheerleaders went to work planning pep rallies, practicing new stunts, and perfecting cheers. They elected managers who were Darrell Smith, Jeff Byington, Shannon Jones, Jay Newton, and Ricky Ray. The sponsor of the Cheerleaders was Linda Bryant. Their money-making projects for this year included selling stationery, stuffed animals, and ribbons. Over all, the Cheerleaders did a great job of inspiring Gander pride and spirit for a terrific year.

GANDER GAZETTE Reports News

Assign stories, write copy, edit stories, paste-up paper, proof paper, and SELL. These all are ingredients that combined to produce the Gander Gazette.

A hard working staff and advisor put in long hours to publish a monthly paper. Deadlines were set and met, and on one Tuesday a month the staff revealed an edition of the Gazette.

The Gander Gazette attended the Interscholastic League Press Conference in Austin, March 21-22. While there, they attended seminars and heard constructive criticism dealing with their paper.

To cover every story was hard work, yet the R. E. Lee Gander Gazette was very dilligent and dedicated. Each edition kept the students informed of dances, sports, and other special events at Lee.

We Did It All For YOU!

The year began with confusion and chaos, but one hundred seventy and some odd days and three hundred and forty-four pages later the Lee *TRAVELER* staff finished the 1980 edition of the *TRAVELER*, and we did it all for you. We wanted each student of Robert E. Lee High School to have an accurate history of the 1980 school year.

Many hours of copy writing, picture cropping, and page layout went into this copy of the yearbook. They were hours filled with fun and laughter, and even some filled with tears and headaches. In the end we reached our primary goal. Forty people worked together to produce a product that each yearbook staffer would be proud of. We are proud, and we hope you are.

Merry Christmas Faculty

This year's Student Council didn't exactly help any faculty members on diets around Christmas time. They gave the faculty and their husbands and wives a formal tea. Complete with everything to eat a person could want. Besides this Christmas time activity they also helped at the Goodfellows. They also provided the decorations for this year's Homecoming with the theme "Somewhere Over the Rainbow." They also were in charge of the General and Ms. Lee Assembly and the Spring Candlelight Dance. This has been one exciting year for everyone involved with the Student Council.

Gander Carriers "Carry" On A Tradition

Randy Marshall

Johnny Henderson

Vincent Lannie

This year's Gander Carriers accomplished a definite first. They were the first to drop the Gander. Besides this great feat these brave young men protected the bon fire throughout the night from cross-town villains. This year's carriers should definitely be commended on "carrying" on a great tradition.

French Club

To help keep up with all of those "important" school papers and books, the French Club offered the students folders and bookcovers. The profits went to the Ronald McDonald House. Many of the 35 members attended the American Association of the National French Club contest and returned with many awards. Being a club member requires a great amount of hard work. However, time was found for a bit of fun and relaxation. A Christmas party and an end of school banquet was added to the year's festivities. The large get-together of the year was the Mardi Gras party with neighboring French Clubs.

JCL

"Trick or Treat" was heard throughout the halls of Robert E. Lee as the J.C.L. spook-a-grams were passed among students. These spook-a-grams were in the shape of various Halloween characters. They could be purchased for friends at a reasonable cost, and were delivered on Halloween. The money from these went to send qualifiers to state and national competition. One of the more exciting events in which the J.C.L. took part were the Roman Games which were held at Sharpstown. They also had a Roman Banquet in April and a cook-out in September to get aquainted.

When working in the classroom, she taught English and was an annual staff sponsor at Horace Mann Junior High. Ms. Bundage says she likes REL and the students who attend here.

Originally from Waco, Texas, Jim Moulder is in his second year as a counselor at Lee. He came to Lee from North Texas State University, where he was involved with teacher education and student teaching. He likes his job at REL because of the fine student body here.

William D. Smith, junior counselor, was born in San Augustine, Texas. He graduated from Stephen F. Austin State University in Nacogdoches. Before becoming counselor at Robert E. Lee, Mr. Smith worked at C.E. King High School for seven years, Mauriceville High for two years, and Channelview High for two years, where he taught vocational agriculture.

The Robert E. Lee Ganders won the district championship for the 1979 season and along with it the love and admiration of Gander fans everywhere. This edition of the Ganders then advanced not only to the state quarterfinals but into Gander history as well. It was a banner year for the men in maroon as their teamwork and closeness paid rich dividends for the team, school, and fans. Quacker backers eagerly awaited this season because of 22 returning lettermen, including 14 returning starters and 6 three-year lettermen. As it turned out, with intensity as the key, 1979 was the greatest R.E.L. season since 1956. There were many individual and team accomplishments to be proud of. The offense, directed by 21-4A player of the year John Elkins, led the district in scoring and total offense. Running backs Jim Dippel, Pat Coryatt, and Monroe Nichols had outstanding seasons thanks to the powerful, explosive offensive line of Tracy Flowers, David Clement, James Fontenot, Kevin Parks, Billy Gleason, and Daniel Greenawalt. Lee had its best receiving corps in years with the likes of Bobby *Roberson, Teryl Houghton, David Duke, Pistol Cannon, and Charles Traylor. The defense, traditionally an R.E.L. strong point, led the district in total defense. This tenacious, fiesty group of hitters led by linemen Tommy LaVergne, Mike Clement, Rudy Cantu, Ronald Byers, and Gerry Salinas, linebackers Brian Holle and David Erwin, and backs Matt Johnson, Geronimo Sanchez, Byron Lewis, and Robert Barnes, did not allow a single point in their last five district games in a span which lasted 24 quarters from the 4th quarter of the Aldine game through the fourth quarter of the West Orange Stark game. This season is an unforgettable experience for everyone involved, with the spirit and pride of Robert E. Lee rising to great heights. This never-say-die 1979 team has enhanced and become a part of the traditions of R.E. Lee. They were the district champions, city champions, bi-district champions, regional champions, and finished as one of the top 8 teams in Texas. 8) All-district defensive back Byron Lewis on the move against Spring Branch.

The Ganders opened the season in fine fashion with an exciting 17-15 win over Spring Branch. After Spring Branch miraculously gained a 15-14 lead after trailing by 14 with only 3 minutes remaining, Elkins and Roberson hooked up on two key passes on an 86 yard, one-minute march that set the stage for Jeff Jones' winning field goal with 3 seconds left. Lee lost the 2nd game 26-14 to Port Arthur in the poorest effort of the season, but learned an important lesson. The key to a championship would be to play with intensity. Lee did just that by simply overwhelming hapless North Shore 41-6 in the district opener. In the first big game, Lee thrashed Forest Brook 24-7 using a big play offense and a bend-but-not break defense. The Ganders were flying high but Aldine stunned them by a 14-3 count. After the frustrating loss, the men in maroon realized it was now or never time. They were in a must-win situation.

Mid-Season Push Moves Maroons Closer to Top Spot

The Ganders responded to their must-win situation with 3 straight Stallworth Stadium triumphs. The offense, highlighted by the Elkins to Traylor passing combination and the tough running of Jim Dippel, and the defense, highlighted by a tremendous goaline stand, combined to whip Galena Park 21-2. Next, Lee ran roughshod over Nimitz 48-0 in preparing for the stretch run. The Ganders displayed their character in the 35-12 Homecoming win over Smiley, who came into the game tied with Lee at 4-1. The Ganders overcame two unfortunate special teams mistakes that would have done most teams in. Instead, the defense held Smiley to negative yardage and the offense blasted through Smiley's highly regarded defense for 35 points. The spirit and pride of the Ganders was evident in this Homecoming victory, which set the stage for the showdown with MacArthur for first place.

R.E.L.'s championship hopes were on the line before a spirited, lively crowd at Thorne Stadium, and Lee responded with a 16-7 victory over the MacArthur Generals. The Ganders overcame adversity as MacArthur returned the 2nd half kickoff to take a 7-6 lead. In the 4th quarter the offense marched into a stiff wind to set up a pressure packed Jones field goal for a 9-7 lead, and moments later Elkins hit Duke on a 48 yard touchdown pass that sacked not only the game but the play-off berth as well.

Before 17,000 fans at Stallworth Stadium the Ganders shut-out the Sterling Rangers by a score of 21-0. The win was the sweetest of all as Lee whipped Ross by the second biggest margin in the history of "The Game." With Ross at its own twelve, Tommy LaVergne hit Sterling quarterback David Fourrier as he was passing and the ball floated into the arms of Ronald Byers who rumbled to the two. Coryatt powered over the goaline moments later for a 7-0 lead. Monroe Nichols scored next on a 3 yard plunge after receiving a 50 yard bomb from Elkins to set up the score. Lee totally dominated the 2nd half and iced it in the 4th quarter with a 7 yard pass from Elkins to Traylor for the final score. The Ganders and their fans went crazy with joy as they could say they were the BOSS OF BAYTOWN AS WELL AS 21-4A.

Four years of hard work, closeness, loyalty, and BELIEF had paid off with the realization of a dream.

'79 Ganders- State Quarterfinalists

The proud champs of District 21-4A marched into the Astrodome with high hopes and won a 12-7 bi-district thriller with West Orange-Stark led by a tenacious defense that held W.O.-S.' Kerry Franks to 32 yards for the game. Jeff Jones provided field goals of 31 and 33 yards, and Pat Coryatt fought over from the one for a touchdown in the 4th quarter to put the Ganders ahead 12-0. West Orange fought back with a long bomb that set up a touchdown, and then the Gander defense held off a last rally by West Orange to preserve the win and set up a showdown with No. 1 La Porte. In a game that will go down as one of the greatest in Gander football history, Lee overcame a 14 point 4th quarter deficit to stun top-ranked La Porte for the Regional Championship. Falling behind early, R.E.L. overcame three different 14 point deficits behind a fired-up Gander defense that held LaPorte when it had to and an offense that gave an exibition of what come-from-behind football is all about. There were several big, miracoulous plays, but the win was a team win in every aspect. The season ended for the '79 Ganders in their 3rd Dome appearance in a state quarterfinal game against Houston Memorial. The 16-14 loss was a heartbreaker, but the Ganders were simply outplayed in the last half. It was a sad way to end a tremendous season, but it took nothing away from the accomplishments of this Gander football team that was a fine representative of our school, Baytown, and District 21-AAAA.

The Junior Varsity Football team at Robert E. Lee serves two main purposes. The first purpose is for each player on the team to perform to the best of his ability at that level and to be ready to move to the varsity should a vacancy occur at his position. The other main purpose is to help prepare the Varsity each week for its opponent on Friday night. This years SUICICE SQUAD fulfilled these purposes well. The team's attitude matured more each week as the season progressed, and their improved mental maturity was evident in their last few games. Many of the players from this team have the potential to be good varsity players when they represent the Robert E. Lee Gander football team. The season record for the SUICIDE SQUAD was 4-5-1. Coaches Milton Kellner and Mike Ellis feel that their season was a success because of the personal improvement each young man experienced in this season.

The Maroon team was coached this year by Karl Scantlen and Wayne Bell. They ended their year with another fine season. They had a record of 7 wins and 3 losses. "The team improved every week, and showed good effort," were the remarks of Coach Scantlen.

The white team also received a new coach, Brent Brunson who was to join James Alexander in putting together a very good team. Even though the teams record was 3-4- the team was much better than the record showed. Coach Alexander said, "The team really learned what high school football is about." The team never got blown away, and lost with Gander pride and dignity.

Varsity Volleyball COPS DISTRICT

This year the Robert E. Lee girls Varsity Volleyball team, coached by Mary Taylor, put together effort skill, and much hard work and determination to come away with the 1979 District Championship. This is the first time in five years that R.E.L. has won a District Championship. They won it with a spectacular District Record of 15-1, and a 22-5 record over all. They had plenty to be proud of, the only loss in District came at the hands of cros-

stown rival Ross S. Sterling. The girls were really excited because this District win took them to Regionals. They combined practice and play to get to their destination. Even though they lost to the Port-Neches Grove Indians, they were still happy with their season and look forward to playing next year and making it all the way to the top, as all but one of the girls will still be here next year. When asked about their outlook on next year, they say they have nowhere to go but up. And up is where they will be if they play as well and as hard as they did this year. Practice was a big part of winning for the girls. They started working out about a month before school started. In less than a week after school began, they had their first practice game. Everyone participated in these and in doing so sharpened their physical skills and mental skills also. During practice, the girls got to goof off and relax so that they wouldn't get tired of working so hard. Miss Taylor set up mini tournaments and the girls really had fun trying to beat one another. All the hard work and practice finally paid off and the Varsity came out as the number one team in district.

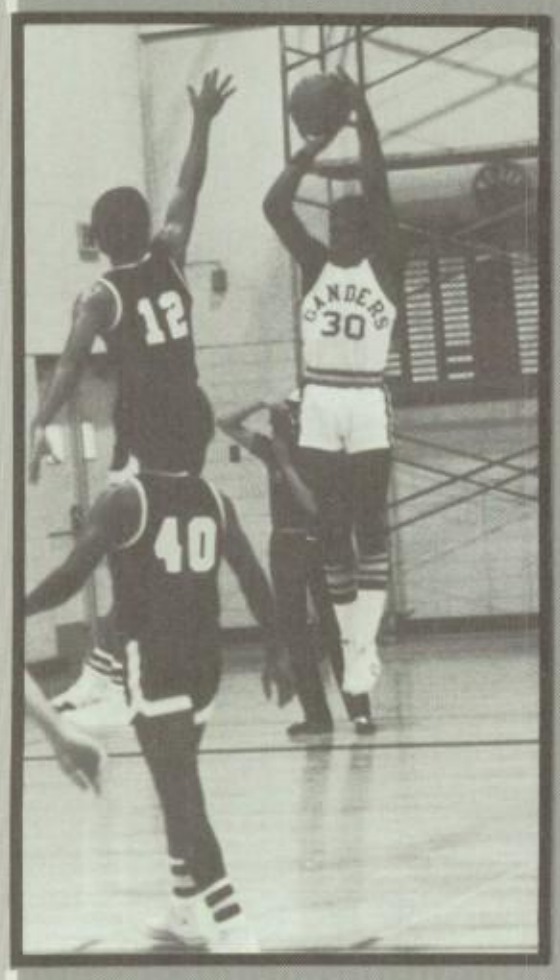
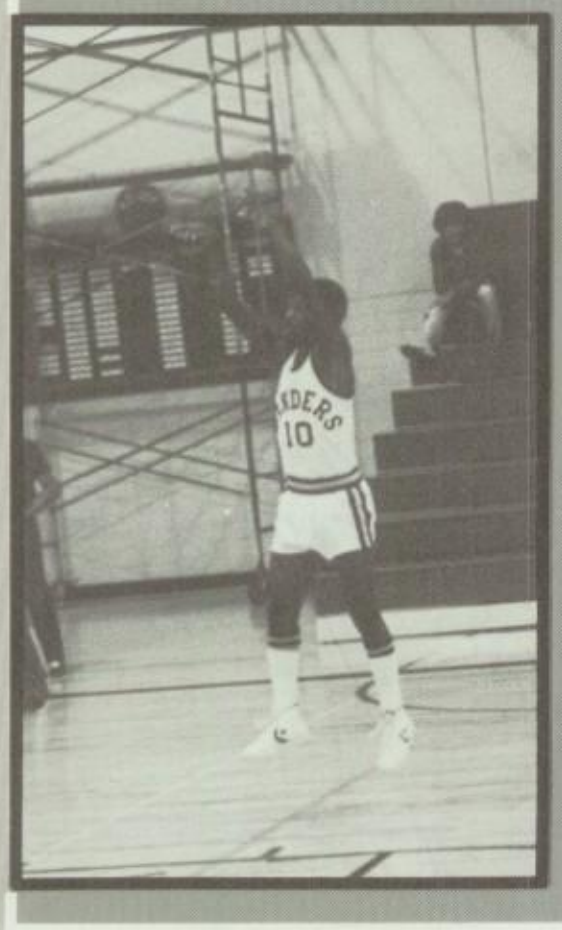
BOYS' BASKETBALL

Ganders Stay Close . . . But Fall In End





The old saying, "Same song, different dance" could well have been said to describe the 1979-80 varsity basketball team. The Ganders finished the season with a 7-20 record, 2-14 in district play. The Ganders improved greatly throughout the season but just could not win. The Ganders would play three quarters of good basketball, but would fall apart in the final minutes of the game. Four losses like this in a row by one point ruined any chance of a good season for the varsity. But a season record doesn't tell the whole story. Coach Earl Lankford agrees a season record tells only part of the season and doesn't tell of the long hours of practice or the pride which this year's team played with. Coach Lankford also said that he wishes everyone on this team would be coming back next year because they are a "fine group of young men" that "improved mentally and physically throughout the season." The '80 Ganders will lose six graduating seniors but will return three starters for the '81 season and one other letterman.

Robert E. Lee's track team was a team of super individuals. The team's problem was that they did not have enough athletes out for the team. With the great efforts of several super individuals the problem was not that bad after all. Byron Lewis won the outstanding individual Rockhold Relay Award. He won the 100 meter with a time of 10:5. He anchored the 400 meters relay to a first place. Glen Kenna, another super athlete, had his best jump ever in the high jump 16'9.

Byron Lewis in the 100 meters, and the mile relay team consisting of, Pat Lewis Byron Lewis, Tyrone Nichols, and Monroe Nichols qualified for state. The mile relay was the first team in 19 years to go to state. The team thought it was an outstanding achievement. Byron finished 5th with a time of 10:5.

Field Events Highlight J.V. Track

The 1980 Junior Varsity track team only won one meet, and that was the Baytown Relay Meet. The strong point of the team was in the field events. Julio Garcia, and Charles Bitterly did a fair job in the pole vault. Ernest Mitchell, Ken Fentress, and Lawrence Motton were outstanding in the shot put. Philip Jaubert was an outstanding individual in the mile with a good time of 4:35.

Coach Bosse said, "This has been the best J.V. team since I have been here." "We were within four points of winning a lot of meets, but depth was what really hurt us."

1) The 1980 J.V. team are back row; Ernest Mitchell, Rob Buntin, Carl Richardson, Charles Bitterly, Philip Jaubert. Middle row are; Lewis Burrell, Roel Cardona, David Erwin, Ronnie Stearner, John Stahling. Front row are; Doug Smith, Ron Harmon, Jim Dipple, Sam Wooton, and Lawrence Motton.

2) David King running his best in the hurdles.

3) Julio Garcia at his highest point.

Freshmen Win Fourth In District

This year's Freshmen track team was very strong in the field events. The outstanding individual was Lawrence Motton who won every meet in the shot and discus. Motton was later moved to the Junior Varsity because of his great ability. In the running events, Tim Morris was very good in the 800 meters, and Gilbert Lopez was also good in the mile.

The team won fourth place in district. Coach Bosse said, "It was mainly depth that hurt us, other than that it was a satisfing season."

Ganders Enjoy A Winning Season

A state championship seemed to be a distinct possibility for the 1980 Gander baseball team. With three top pitchers, 5 non-mound starters, 3 all-district players, and 4 three-year lettermen returning from a team that tied for the 2nd round championship of 1979, the Ganders appeared unstoppable, but something happened. R.E.L. finished with a 15-10 season record and a 10-6 record in district. The big year never materialized. One three day period seemingly destroyed the championship hopes for this Gander team. Lee was playing good ball with a 5-1 district record when disaster struck. The Ganders were leading Galena Park 5-1 in the 7th inning only to lose 6-5. The Ganders then lost to Sterling 4-0, after beating Sterling earlier in the year 7-2. That took care of the first round. On the last day of that dark week, in the sloppiest game of the year, the Ganders were downed by North Shore 14-10. The Ganders won five games in each round and lost three games in both rounds. They finished 2nd in the 1st round, and third in the second round. The Aldine Mustangs won the district championship. There were many bright spots this season, but the expected championship remained elusive.

Junior Varsity Finishes 20-3

The 1980 junior varsity baseball team finished the season with a 20-3 record, 13-3 in district play, and a district championship. Coach Joe Herzik said that the team was solid at every position and leading the team in pitching with 8-1 records were Scott Herring and James Hillin. The most important ingredient of any school and especially R.E.L. is the people. Freshmen, sophomores, juniors, and seniors alike claimed "We're Still the One." Activities at pep rallies, in the classrooms, and even away from school brought all students together as one group, interested in keeping Robert E. Lee High School number 1.

1) Anette Snodgrass, Chera Tomison and Susan Watts stop in the hall to pose for the camera.
2) Fifth period choir students-Ava Guide, Wesley Gordon, Lisa Lipsey, Jonette Morton, Regina Yepez, Norma Fernandez, and Stephanie Martinez-study music to prepare for a Christmas concert.
3) Ann Jones and Susan Johnson take a break during a busy school day.

At Eight O'clock, Stallworth Stadium
Baytown, Texas

Years Full Of Memories

Around 7:30 p.m., Friday, Jan. 26, the last plate of fish was served and the seniors relaxed for the first time in hours. Selling over 6,000 tickets the class of '80 made a record breaking $20,000, profiting over $11,000.

Taking place at the Baytown Shrine Club, the annual Senior Fish Fry was a great success to say the least. Breaking the profit record by over $3,000 the seniors made more than enough money for the prom.

Seniors Remember The Way We Were

Ring-turning, dancing, eating, picture taking, and going to Galveston all combined to make Prom Night an unforgettable experience for the 1980 seniors. The Galleria Plaza Hotel was chosen for the prom, and on that magical evening, April 11, from eight o'clock until midnight, the seniors danced their hearts out to the "Top 40" sounds of the band "Eclipse". The highlight of the evening was the ring-turning ceremony. Each senior, escorted by a date, walked through the ring to the music of "The Way We Were." The buffet meal consisted of hors d' oeuvres, polish sausages, swedish meatballs, beef teriyaki, egg rolls, fried shrimp, canapes, cheese and crackers, and various soft drinks. The seniors' special guests were Henry Arsmtrong, Jess Miller, and Ouida Carroll. All in all, it was a fun evening.

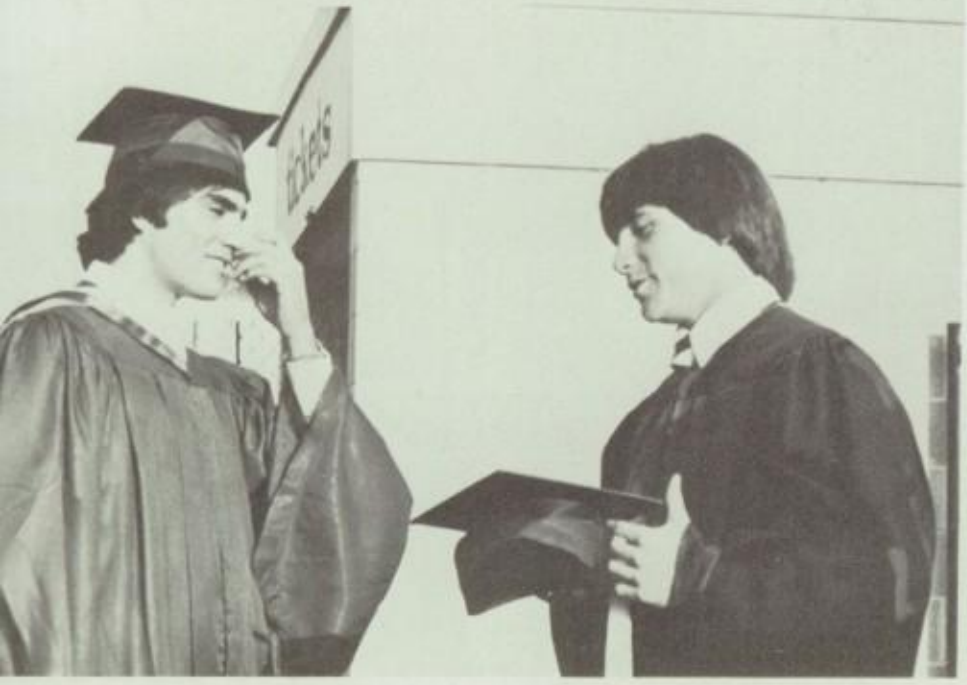
Gerald Salinas and David Duke talk over old times before the commencement exercises begin.



Graduates listen intently for their name to be called.

Many seniors spelled relief G-R-A-D-U-A-T-I-O-N on May 30, 1980. It certainly was exciting to finally finish school after 12 or more in some cases long, hard years. Although most students couldn't wait to take off that cap and gown and be free for once in their lives, many were saddened at the thought of leaving their alma mater, and realizing that they must leave some of their best friends to start a new life. On the Sunday before Graduation, Baccalaureate services were held. The seniors were spoken to about the life that awaits them and were given the chance to reminisce about their past years at REL. Then, Friday night at 8 P.M. the commencement began. The seniors walked down the aisles and took their seats before the many friends and relatives that attended. Honors, awards, and special recognitions were presented by Henry Armstrong, principal who said the class of '80 was by far "the most outstanding class of the past 10 years in the fields of atheletics, academics, and musical abilities." Then came the awarding of the diplomas. Many smiled, some cried, others jumped for joy. Yet after the turning of the tassels, each senior realized that he had finished a phase of his life, and a new one was just beginning.

Mr. Moulder, counselor at REL, had the honor of receiving the senior cards.

Tracy Flowers, Marilyn Flynn, and James Fontenot remember the fun they had at REL.

As the last bell rang and the last locker closed, the empty halls at REL held silent cries of "We're Still the One." Although this year has come to a close, we can recall memories of football games, Brig marching, dances, club meetings, tests, lectures, brown bag lunches, and even a smile from that special person. With the ending of one year, a new year is soon to begin and once again Lee students will proclaim "We're Still the One."
